

# Eaton Fire products on LUCKINS

Eaton is a leading manufacturer and global supplier of high quality fire and voice systems, bringing decades of expertise to the development of fire systems, founded upon a strong heritage of Cooper, Menvier, JSB, and VoCALL.

Eaton fire system solutions and services are recognised by a wide range of accreditation bodies. All products have been specifically designed and tested to ensure that they are all fully compatible to form a reliable and compliant fire detection and alarm system.

## Eaton on LUCKINS

On LUCKINSlive, the UK's leading source of product information for building services, Eaton Fire and voice alarm products are currently listed across JSB, Menvier and VoCALL.

From 18 February 2019 all fire and voice alarm products will move to a single listing – **Eaton Fire**

NOTE this only affects Eaton fire products all Eaton lighting products will remain unchanged

## We are moving home on LUCKINS on 18 February 2018
