

IKON PRO

Unique design of removable and interchangeable heads, extending our decking kit range. Designed to be fitted and wired during the decking build stage without the heads. Supplied with rubber caps to protect the fitting from the elements until the decking is complete. Each IP67 head easily connects and can be placed into position quickly, adding the final touches to the decking design

MIX & MATCH\*

This design is registered with

- Polished stainless steel & clear polycarbonate
- Min void: 80mm
- 10 x 0.75W LED module (SMD 2835)

Kit includes: 10 x 0.75W LED heads, 15W Driver, 5m Extension cable, 2 x 5 way looms & 3 Pin Plug

\*Mix and match only available with white and blue kits. Do not mix and match any RGB kits
