

LED CABINET LIGHTING

Designed primarily for Cabinet Lighting
our versatile range suits many
discreet applications

LED LINKABLE STRIP LIGHTS

ALL FITTINGS: White / 3000K / 25,000 hrs / A+ Rated

Long life, energy efficient alternative to traditional fluorescent under cabinet lights.

- Superb light output and lighting effect: low power consumption with enhanced life expectancy
- 1.8m mains lead with 0.3m link lead: linkable with up to 5 other fittings
- To ensure compliance, our link system is polarised ensuring live & neutral cannot be reversed throughout a linked installation
- Optically optimised diffuser: ensures a soft diffused light with no degradation of light output
- Polycarbonate construction • Rocker switch
- 3000K warm colour temperature: offering a pleasing lighting appearance
- See product codes NL1WH / NL50WH / NL25WH for additional link leads - [PAGE 63](#)
- **T5LED4 / T5LED8** = M.O.M: 1 / O.P.Q: 40
- **T5LED10** = M.O.M: 1 / O.P.Q: 30
