Definity™
GridPro® Frontplates

The Screwless Range

Screwless, push-fit Frontplates in 5 assorted finishes, the ultimate finishing touch.

The Frontplates are supplied independently of the inserts which means that the initial installation of the product can be carried out and any subsequent decoration or maintenance completed before the final selection and fixing of the Frontplate.

definity™

Definity™ assembly

1. Fit and secure appropriate Back Box and insert, pull cable through insert and strip insulation accordingly.
Ensure an earth connection between frame and insert (if required).

2. Systematically terminate cables into each module.
Clip the modules into a designated Definity™ insert with a pivot motion.

GRIDPRO®
