

# SUNVIC

## comfort in control

The TLX 2000 and TLM 2000 series of room thermostats is suitable for domestic, commercial and industrial use.

### TLX 2000 Series

– Electromechanical range for light to medium duty applications

- High specification and reliability
- Wide range available to suit all applications
- Models available for both 240V and 24V applications
- Reliable temperature control via built-in accelerator heater
- Tamperproof models

### TLM 2000 Series

– Electromechanical range for medium to heavy duty applications

- High specification and reliability
- Wide range available to suit all applications
- 20 amp rated ON/OFF contacts
- Robust magnetically controlled switch mechanism
- Tamperproof models

## The TLX 2000 & TLM 2000 Series Electromechanical Room Thermostats

Temperature Range (°C)	3/27	3/27	3/27	3/27	0/15	3/27	-15/10	3/27	3/27	-15/10	3/27	10/40
Changeover Contacts												
Tamperproof												
Operating Voltages	24	220/240	220/240	220/240	220/240	220/240	220/240	220/240	220/240		220/240	220/240
Accelerator Heater												
Heating Applications Only												
Heating & Cooling Applications												

- TLX 2251 Low voltage model to control warm air heating
- TLX 2259 Controls boiler, pumps, spring return motorised valves and any device requiring ON/OFF switching
- TLX 2356 Controls MOTOR OPEN/MOTOR CLOSED motorised valves or any other device requiring changeover switching
- TLX 2358 Two accelerator heaters and tamperproof concealed setting (including shear off screws)
- TLX 2360 Frost thermostat with tamperproof concealed setting (including shear off screws)

- TLM 2253 Controls any direct electrical heating system – gold finish
- TLM 2257 Frost thermostat to protect heating systems and machinery from low temperature damage
- TLM 2402 Non-ventilated tamperproof concealed setting (including shear off screws)
- TLM 2453 Tamperproof concealed setting (including shear off screws)
- TLM 2457 Frost thermostat with tamperproof concealed setting (including shear off screws)
- TLM 2628 Indicated OFF position for use when a positive switch is required
- TLM 2802 Changeover back contact rated 5A resistive

## Accessories

Product Description	Order Code
BX3 Weather Resistant Case for TLX/TLM	8362405
Guard Pack for TLX/TLM to protect against physical damage	8371203
