## CORAL LED

### High performance commercial LED downlight

- Market leading performance of over 89 lumens per circuit Watt
- Structural heat sink removes the need for noisy and inefficient cooling fans
- Unique concave LED diffuser for smooth, even light distribution
- Shallow recess depth and standard cut out size
- Pre-wired with GST plug for fast and easy installation
- IP65 option to protect against moisture and dust ingress
- Remote emergency and dimmable options available
- JCC 5 year extended warranty\*
- Extension ring for larger cut-outs up to 240mm
- DALI or 1-10V dimmable options available
