

WH-402 - Movement sensor

Application	Ideal for use with halogen heaters including patio heaters
Mounting	Surface
Switching capacity	16A 230V
Voltage supply	230V
Sensing range	12m/180° (both distance and angle can be reduced)
Time delay	5 seconds to 18 minutes (adjustable)
Dimensions	65mm x 83mm x 115mm
Ingress protection	IP55

VR-2 - Dimmer

Application	Ideal for use with halogen heaters including patio heaters
Mounting	Surface
Output adjustment	30% to 100%
Switching capacity	13A 230V (halogen heaters up to 3kW)
Voltage supply	230V
Contacts	Single pole, single throw
Dimensions	115mm x 90mm x 58mm
Ingress protection	IP55
Special features	Definite click to off
