Zinc Outdoor Lighting

The ZINC range of outdoor luminaires offers a wide selection of high quality, durable light fittings, featuring eye catching designs to satisfy a variety of tastes.

Consisting of wall lighting, wall washers, spotlighting, floodlighting and ground lighting, the ZINC range covers a broad assortment of applications.

With a bias towards energy saving lighting, an ever increasing selection of ZINC products now offer integral, high output LED's.

For lines not including integral LED's, we have a selection of LED lamps that perfectly compliment the ZINC range. For information on these lamps, please view the accompanying INLIGHT catalogue.

Whether seeking classic or contemporary design, you'll find the ZINC catalogue will offer a low energy, high caliber product with striking aesthetics.
