The Uxbridge range

Focus SB are known worldwide for electrical accessories of distinction. Bespoke plates are our speciality and, as we manufacture right here in the UK, meeting customer requirements is what we do best.

Our latest addition, the Uxbridge flat plate range, utilises MK Electric® interiors for power and switching. MK Electric® have been delivering electrical connectivity since 1919 and are the UK's foremost manufacturer of electrical and data connectivity products and solutions. They have established a reputation for the highest standards in quality, safety and reliability.

Metal and painted switches can also be produced to match the plate finish. The result is beautifully made Focus SB plates put together with MK Electric® quality interiors to bring you a product that will enhance the finest interior spaces and will last and last.

Chocolate Bronze finish - metal switches match the plate

Black Nickel finish
