You are responsible for ensuring that your company's details, as confirmed by your approval of the proof sent, are accurate. Every effort will be made to ensure that these details are reproduced to a standard acceptable to us at our absolute discretion for this edition of the Toolbank Catalogue. In the unlikely event of any significant failure in the reproduction process, please note that, whilst we will be prepared to negotiate with you in good faith, our responsibility to you in this matter will be limited strictly to the cost (ex vat) of reproducing the cover to a standard acceptable to us at our absolute discretion (and re-binding and delivering the same to you), and that we shall not entertain any claim for consequential loss, howsoever incurred.
