

We are so excited to introduce to you the brand new and extended VEW pendant range! With something in there for every room and every style, this new range of amazing products is already causing a stir in the kitchen, bedroom and bathroom industry!

So without further ado, here's a quick introduction to the range. We hope you love them as much as we do!

## **Greco**

Featuring a smoked glass shade with a beautiful rounded shape, the **Greco pendant** is extremely versatile and chic. Choose a warm white lamp for a more traditional style or a daylight colour temperature for a modern or contemporary feel.

**Product code:** T01-0001

**Overall diameter:** 250mm

**Maximum drop:** 1500mm

240v

## **Ortiz**

This pendant is a real showstopper. The contemporary copper metal mesh shade looks amazing both lit and unlit. Copper is a timeless finish that can be paired with so many colours and styles, making an instant statement as you enter the room.

**Product code:** T01-0003

**Overall diameter:** 370mm

**Maximum drop:** 1500mm

240v

## **Sanzio**

The look of this pendant is dramatic but is easily added to many different styles of room. When switched off, the pendant has an industrial-chic look with inventive cut outs at the top, then when you switch it on it beams an internal metallic golden glow.

**Product code:** T01-0004

**Overall diameter:** 390mm

**Maximum drop:** 1500mm

240v

## **Matisse**

Similar in specification to the Sanzio but a completely different style, the Matisse is a powerful statement piece. The domed matte black exterior hides a vibrant copper inner that glistens when illuminated.

**Product code:** T01-0013

**Overall diameter:** 400mm

**Maximum drop:** 1500mm

240v

## Vinci

Another industrial-chic product, the Vinci really is on trend. This metal pendant has a painted silver antique finish which can add a hint of contemporary flare to any room.

**Product code:** T01-0006

**Overall diameter:** 200mm

**Maximum drop:** 1500mm

240v

## **Verso**

What a showstopper this pendant is. The copper steel frame growing from a matte black shade looks even more amazing in real life. When switched on, every part of the copper cage reacts, turning it from an interesting light into a piece of art.

**Product code:** T01-0007

**Overall diameter:** 260mm

**Maximum drop:** 1500mm

**240v**

## **Bellini Piccolo**

Utilising the same popular and versatile shape of the Vinci, the Bellini Piccolo is sleek, fun and can be added to almost any style of room.

**Product code:** T01-0008

**Overall diameter:** 220mm

**Maximum drop:** 1500mm

240v

## **Bellini Grande**

This piece is the big brother of the Bellini family. The same finish and shape as the Piccolo but larger in size. This is a pendant that could stop you in your tracks!

**Product code:** T01-0009

**Overall diameter:** 303mm

**Maximum drop:** 1500mm

240v

## Hopper

Available in both grey and black, the Hopper pendant is a really contemporary product. Housing a beautiful gold interior, the shade glows and sparkles when your light is on.

**Product code:** T01-0010

**Overall diameter:** 310mm

**Maximum drop:** 1500mm

240v

## **Cezanne**

This pendant has been a huge talking piece since it was first introduced at the KBB 2018. Glittery, glamorous and oh so trendy, Cezanne bounces light around like a diamond. The chrome glass is designed to beautifully reflect the light in your room and give a mirrored finish.

**Product code:** T01-0011

**Overall diameter:** 230mm

**Maximum drop:** 1500mm

240v

## **Theo**

Bold, strong and industrial; the Theo pendant is 160mm of concrete that was built to impress. Go all out contemporary with this heavy duty lighting feature.

**Product code:** T01-0012

**Overall diameter:** 160mm

**Maximum drop:** 1500mm

240v

## **Aura**

The Aura was designed to be eye-catching and brighten a room whilst delivering an industrial edge. With bold wooden features and an intricate chain detail this piece is all you'd need to bring intrigue to a room.

**Product code:** T01-0015

**Overall diameter:** 475mm

**Maximum drop:** 1500mm

240v

## **Cadence**

This bright and interesting pendant combines dark and light to create a stylish vibrant piece for any room. The antique metal finish and sturdy black frame makes it a real show-stopper.

**Product code:** T01-0016

**Overall diameter:** 475mm

**Maximum drop:** 1500mm

240v

## **Zita**

Finished in antique brushed metal with a wide glass shade the Zita is a drop light that could complement any décor.

**Product code:** T01-0017

**Overall diameter:** 320mm

**Maximum drop:** 1500mm

240v

## Arlo

Featuring a large and striking black mesh frame, the Arlo illuminates a room and produces a beautiful lighting effect.

**Product code:** T01-0018

**Overall diameter:** 320mm

**Maximum drop:** 1500mm

240v

## **Bach**

This piece combines elegance, industrial chic and extra bright lighting to create a large and iconic feature for central use in a room. It holds not one, not two, but five bright LED lamps!

**Product code:** T01-0019

**Overall diameter:** 530mm

**Maximum drop:** 1500mm

240v

## Rosa

Need extra illumination over a dining room table, kitchen island or even along a corridor? Rosa is the bright and stylish solution!

**Product code:** T01-0020

**Overall diameter:** 790mm

**Maximum drop:** 1500mm

240v

## Calabria

Simple but stylish, the Calabria is perfect for use as task lighting and is a great addition to any contemporary style room.

**Product code:** T01-0021

**Overall diameter:** 330mm

**Maximum drop:** 1500mm

240v

## **Ezra**

Chic, bold and versatile, this triple lamp drop pendant is a fantastic way to introduce additional even and consistent illumination above any area of the home.

**Product code:** T01-0022

**Overall diameter:** 400mm

**Maximum drop:** 1500mm

240v

## Otto

This large pendant is the missing piece for any industrial or contemporary style room. With a large diameter the Otto delivers bold illumination with a daring vibrancy.

**Product code:** T01-0023

**Overall diameter:** 470mm

**Maximum drop:** 1500mm

240v

## **Tuscan**

Combining a bold, black angular frame with visible bright lamps, the Tuscan is an artistic statement piece perfect to finish a room in style.

**Product code:** T01-0024

**Overall diameter:** 400mm

**Maximum drop:** 1500mm

240v
