

LOUNI - SAFETY UNIVERSAL TOGGLE LOCKOUT

Description:

Universal circuit breaker lockout, suitable for single, double, triple poles. Also fits on a wide range of switches (.30- .60" high)

Screw:

Plain and folding type

Material:

ABS

Additional Notes:

This product is also UV resistant.

Colour:

Yellow

OTHER ADDITIONAL INFORMATION

Designed to lockout mains isolator switch and prevent accidental switch-on. The specially designed folding screw removes need for a screwdriver. Device works with all Lockout Safety padlocks and most hasps.
