

ULTRA FLATPLATE

Deta Ultra Flatplate provides a sophisticated and contemporary solution for a modern home or office, introducing a finishing touch that is stylish and elegant.

The ultra slim profile with its choice of Chrome, Satin Chrome or Black Nickel finishes with black or white inserts and matching metal rockers, fits unobtrusively into any modern décor, complementing both looks and style.

Products in the **Ultra Flatplate** range are guaranteed for 25 years (2 years for electronic products).

PRODUCT FEATURES

Versatility is the hallmark of the **Deta Ultra Flatplate** range which has been designed to fit completely into every aspect of modern life.

The comprehensive range of products covers all applications, ensuring conformity of all fittings, including data plates. The wide range of finishes harmonise with any colour scheme.

Curved metal rockers operate with a smooth, positive action and are available on all products, including high current switches such as the 45A cooker control unit.
