

# Solutions for media cabling

Selecting from a range of module inserts covering all manner of media transfer, installers will now be able to configure their own arrangement of television, radio or satellite reception, plus speaker, telephone and data outlets. All modules can be inserted into single or double wall plates and fitted onto standard switch and socket boxes.

The furnished plate shown here contains a selection of both single and twin width New Media™ modules.

The New Media™ range provides the installer with ultimate flexibility, allowing you to mix and match the connections you have on your wall plate. All modules are available in white or black finishes to complement any installation.
