

DATA SHEET

L2H-FloodlightCam

Description

Operates as a standard floodlight with built in PIR with the added benefit of a built-in full HD 1080P camera. Receive sound and motion alerts and respond with 2-way audio or activate a siren as a deterrent. Display and capture video through the app or with Alexa and Google screen devices. Powerful 2000 lumen output and clear night vision. Aluminium construction with a clean modern design.

Requires App:
