Everyday Lighting For Professionals

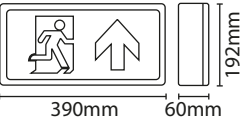

LED EMERGENCY EXIT BOX SIGN

Low energy alternative to standard emergency exit signs - perfect for office, commercial and industrial applications

- Steel construction • LED charge light • Facility for remote switching
- 3 hour maintained mode as standard which can also be configured for non maintained operation
- Diffuser on base: for added downward illumination of escape route
- Long life energy efficient LED light source eliminates lamp replacement cycle without compromising panel visibility distance
- Battery test button
- Battery - Ni-Cd 3.6V 1500Ah
- Battery 1 year warranty - Replacement battery code: EB4

Hole knockouts
on each side of fitting
