United Kingdom Guarantee

For other territories and for further information, please see www.luceco.uk for details

Products are protected by guarantee for a period of 3 year guarantee, from date of purchase against defects in material and workmanship (unless otherwise stated). Should a product fail to perform as described within the guarantee period it will be repaired or replaced with the same or equivalent product by Luceco, free of charge provided that you: (1) return the product to us with shipping charge prepaid, (2) provide us with proof of the original date of purchase and (3) quote our return authorization number.

Repaired or replaced products will be returned to you with shipping charges prepaid. Replacement products may be refurbished or contain refurbished materials. If in our sole discretion, we are unable to repair or replace a defective product, we will refund the purchase price of the product.

This guarantee will not apply if in our judgment, the product fails due to damage in shipment, handling, storage, accident, abuse or misuse, or if it has been used in a manner not conforming to our product instructions, has been modified in any way, or has any serial number removed or defaced. Repair or attempted repair will void this guarantee. Our maximum liability under the terms of this guarantee is limited to the purchase price of the product covered by the guarantee.

The guarantee is given under English Law. If any part of this guarantee is deemed unenforceable (including any provision in which we exclude our liability to you) the enforceability of any other parts of the guarantee will not be affected. These terms do not reduce your statutory rights.

For Non-UK please contact Local Luceco Office for details. THESE TERMS AND CONDITIONS ARE SUBJECT TO CHANGE WITHOUT PRIOR NOTICE.

Eventually, you may want to replace this fitting;

Environmental Protection W.E.E.E (Wheellie Bin Symbol for EU ONLY)

This symbol is known as the "crossed-out" wheellie Bin Symbol". When this symbol is marked on a product or battery, It means that it should not be disposed of with your general household waste. Some chemicals contained within electrical/electronic products or batteries can be harmful to health and the environment. Only dispose of electrical/electronic/battery items in separate collection schemes, which cater for the recovery and recycling of materials contained within. Your co-operation is vital to ensure the success of these schemes and for the protection of the environment.
