

Product Code: PRW176

Description: 2 Gang 19mm Deep Architrave Pattress Box with Earth Terminal

General Information

Dimensions	33mm (W) x 147mm (W) x 18.5mm (D)
Finish	Polar White
Materials	Pattress Box: Urea Terminals: Brass Terminal Screws: Steel & Yellow Passivated
Plate Fixing Centres	120.6mm (Vertical Fixing)
Ingress Protection	IP20
Earth Terminal Provided	Yes
Cable Restraint Provided	No
Back Box Knockouts	2 x 10mm x 9mm
Operational Temperature	-5°C to +40°C
Warranty	20 Years

Standards	BS 4662:2006+A1:2009
------------------	----------------------

Additional Information

Ensure that the mains supply is isolated before commencing installation and refer to the circuit diagram with the relevant product.
Bare earth cables must always be covered with appropriate sleeving and wired to the earth terminal. All white moulded accessories are manufactured using Urea Formaldehyde, which has similar inherent properties to antimicrobial additives that inhibit the growth of infectious diseases. All products have been independently tested and achieved a 99.9% kill rate across all four types of the strains of bacteria - MRSA, E-Coli, Salmonella, and Klebsiella Pneumoniae.
