

## FEATURES AND USES

- Suitable for use in a range of commercial and industrial applications
- H frame for easy storage
- Coupler comes with dust cover
- Ergonomically designed
- Wide range of H frames available for all applications
- Made with highly durable arctic grade cable

Product Code	Description	Voltage	Length (M)	Amp (A)	Cable Size (mm)	IP Rating	Max Load Unwound	Max Load Wound
SE3050	Yellow 110V 16A with H Frame	100-130V	25	16	1.5	IP44	1760W	770W
SE3060	Blue 240V 13A with H Frame	220-240V	25	16	1.5	IP20	3120W	1200W
