

## H-Frame Extension Leads

25m / 1.5mm / 110V H-Frame  
SE3050

### Features & Applications

- Suitable for use in a range of commercial and industrial applications
- H frame for easy storage
- Coupler comes with dust cover
- Ergonomically designed
- Wide range of H frames available for all applications
- Made with highly durable arctic grade cable

### Technical Specification

Product Specifications	
Operating Voltage	AC 100V-130V
Operating Frequency	50-60Hz
Length	25m
Amps	16A
Cable Size	1.5mm
IP Rating	IP44
Max Load Unwound	1760W
Max Load Wound	770W
