

It's easy to see why the **Z** is the UK's favourite shower.

Easy to fit, easy to afford and easy to use, when it comes to T80Z there's a lot to love. But everyone's needs are different. That's why we've created a T80Z range consisting of the T80Z Slimline, T80Z Thermostatic and the new T80Z Fast-Fit.

## T80Z Fast-Fit electric shower

T80Z Fast-Fit is the very latest generation of Britain's best-selling shower, the Triton T80, which has been an iconic household favourite for more than 30 years. Packed with design features that will appeal to both the homeowner and the professional installer, T80Z Fast-Fit boasts a curvaceous body shape and a sleek tapered backplate to provide a "floating" appearance on the bathroom wall. Featuring the latest Swing-Fit™ and Swivel-Fit™ installation technologies, T80Z Fast-Fit delivers Triton style, quality and showering performance.

Available in two finishes: Chrome or White/Chrome. Matched with a stylish, contemporary straight riser rail and three spray pattern handset, the T80Z Fast-Fit combines functionality, durability and style and will provide a beautiful focal point in your bathroom for years to come.

**Swing-Fit™** – Terminal for left & right cabling

**Swivel-Fit™** – A 180° fully reversible swivel water inlet that accommodates water connections from either the left or right hand side of the unit to aid installation

**Push button Start/Stop** – to select your favourite shower setting every time

**'Low pressure' indicator** – operates when the water pressure is insufficient

**'Power on' indicator**

**Rub clean showerhead** – 3 spray pattern
