Take advantage of the fast, safe, simple LINIAN Fire Clip now.

Equip yourself with a massive upgrade in fire clip design, offering major benefits in efficiency, safety and value for money.

Perfected through years of development, this exceptional innovation looks simple – and it is. Expertly designed to save time, money and lives, this extraordinary evolution of a vital building component can help every job be neater, tidier and more effective than ever.

You'll wonder why nobody thought of it before. You'll be glad LINIAN has.

1 Drill 5.5 mm diameter hole into the required material.

2 Slide the LINIAN Clip over the cable, so that it is seated in the rounded area.

3 Compress the LINIAN Clips legs and simply insert into the hole by hand.
