6 CHC KITCHEN CABINET LEVELLING TOOL

A unique tool, designed to provide easy access when rising, lowering and levelling height adjusters on the base of kitchen or bathroom units. Specifically intended to easily locate the "U" shaped open jaw onto the adjustable foot nut, which enables easier clockwise and anti-clockwise adjustments to be made. An ideal tool for levelling standard kitchen carcasses, heavier ovens/hobs and taller larder units. Also ideal for levelling bathroom and vanity units, many types of shower trays, flat-packed furniture and other items where similar adjustable feet are attached. Operates on feet with an opening width 49-50mm.
