Safer Installation

The security wire for safe and easy installation.
Pre-attached to the based of the product, the
security wire allows the diffuser to be hung from
the base while installation is in place.

Base to Diffuser Clips

Easily pull apart the diffuser from the steel base
with the help of spring clips, making it quicker
and easier for installation.

Multi Current Driver

The Multi Current Driver provides the option to
increase or decrease the lumens to suit each
individual application.
