

Self Adhesive Clips

SAC with flexible flat design

These clips are ideal for use in applications which are difficult to access, or for areas where a self adhesive solution is the only possible fixing method (for example 'holes' would be unacceptable). Typically applications include domestic appliances and trailers.

Features and Benefits

- Bendable metal 'tongue' for any shape or configuration of wires or cables
- Cost effective with easy application on smooth, clean surfaces

Malleable tongue allows for a variety of sizes per clip.
