Dimensions and technical information p. 33

Pack	Cat. Nos.	Plastic access grommets
1	EG0010	<p>Quick fit installation Precision engineered from hard wearing durable ABS Grey mouldings. Other colours available to special order Grommets conform to IEC-61534-22 Simply secured by pushing down the spring-loaded screws and rotating a quarter turn</p> <p>144 mm Ø – cut-out size 127 mm Ø</p> <p>Can accomodate all cable types or three metal conduits up to a 20 mm Ø or 25 mm without foam</p>
1	EG0030	<p>169 mm Ø – cut-out size 152 mm Ø</p> <p>Allows power, data and flexible conduit up to 32 mm to pass through raised access floor Lid can be locked with screw (included) Maximum number of conduits : 9 x 20 mm Ø 5 x 25 mm Ø 3 x 32 mm Ø</p>
1	EG0055	<p>232 mm Ø – cut-out size 215 mm Ø</p> <p>High capacity grommet Recommended for installation in light traffic areas</p>

Pack	Cat. Nos.	Aluminium access grommet
1	EG0015	<p>Body – cast aluminium Lid – injection moulded plastic Nylon 66 with neoprene cable gasket Secured by quarter-turn fasteners Floor depth 25 to 55 mm Access grommet depth 60 mm (95 mm when back box included)</p> <p>144 mm Ø – cut-out size 127 mm Ø</p> <p>Allows power, data and flexible conduit up to 25 mm to pass through raised access floor</p>

Pack	Cat. Nos.	Aluminium power grommet
1	EG0025	<p>13 A power grommet</p> <p>Supplied complete with 13 A unswitched socket</p>

Pack	Cat. Nos.	Plastic power and data grommets
		<p>169 mm Ø – cut-out size 152 mm Ø</p> <p>Quick fit installation Precision engineered from hard wearing durable ABS Grey mouldings. Other colours available to special order. Conform to IEC-61534-22 Removable carpet recess Cable flap feature so grommet lid can be closed while in use Simply secured by pushing down the spring loaded screws and rotating a quarter turn</p>
1	EG0040	<p>13 A power grommet</p> <p>Supplied complete with 13 A unswitched socket</p>
1	EG0045	<p>RCD power grommet</p> <p>Supplied complete with 13 A RCD socket</p>
1	EG0051	<p>13 A power/data grommet</p> <p>Supplied complete with 13 A socket and 1 x 37 x 22 mm cut-out</p>
1	EG0052	<p>Data grommet</p> <p>Supplied complete with data plate 2 x 37 x 22 mm cut-out</p>

Pack	Cat. Nos.	Pre-wired power grommets
		<p>169 mm Ø – cut-out size 152 mm Ø</p>
1	EG0041	<p>Cleaners socket version</p> <p>DP1332 - 3 m unfused</p>
1	EG0042	<p>DP1532 - 5 m unfused</p>
1	EG0043	<p>DP1313 - 3 m 13 A fused</p>
1	EG0044	<p>DP1513 - 5 m 13 A fused</p>
1	EG0046	<p>RCD socket version</p> <p>DP1332 - 3 m unfused</p>
1	EG0047	<p>DP1532 - 5 m unfused</p>
1	EG0048	<p>DP1313 - 3 m 13 A fused</p>
1	EG0049	<p>DP1513 - 5 m 13 A fused</p>
