

## Compact RCBOs Double Pole 30mA Switched Neutral

- Double pole switching for complete isolation of faulty circuits
- Neutral pole switching significantly reduces the installation and commissioning test time
- Compact 96mm height further increases the available wiring space within the consumer unit
- Suitable for TN & TT earthing systems
- Particularly suited to installations where double pole isolation of individual circuits may be required

## RCBO B40A 30mA 1 Mod 1P+N Switched
